

Society of Military Spouses in STEM

2019 MEMBERSHIP INFORMATION

WHO IS SMSS?

The **Society of Military Spouses in STEM (SMSS)** was formed in 2016 by two military spouse engineers determined to overcome the challenges of maintaining a career with the military lifestyle. SMSS is a registered 501 (c)(3) non-profit, member-run organization focused on helping military spouses in science, technology, engineering and mathematics (STEM) fields reach their full potential.

WHY JOIN SMSS?

-  Gain direct access to organizations and companies who are committed to supporting military spouses in STEM professions
-  Cultivate a network with like-minded STEM professionals
-  Grow through mentoring and mentorship opportunities
-  Add to the collective face and voice advocating for military spouses in STEM professions
-  Increase your visibility to potential employers
-  Gain access to scholarship, profile features, and professional development opportunities

"This group is great to meet other military spouses going through the **same unique challenges of keeping a STEM career alive** amidst moves associated with the military. I've met amazing and talented people that are great to talk to about career questions. lots of potential and opportunity with this group!"

JACKI, SMSS member
