

Society of Military Spouses in STEM

2020 MEMBERSHIP INFORMATION

WHO IS SMSS?

The **Society of Military Spouses in STEM** (SMSS) was formed in 2016 by two military spouse engineers determined to overcome the challenges of maintaining a career with the military lifestyle. SMSS is a registered 501 (c)(3) non-profit, member-run organization focused on helping military spouses in science, technology, engineering and mathematics (STEM) fields reach their full potential.

WHY JOIN SMSS?

-  Gain direct access to organizations and companies who are committed to supporting military spouses in STEM professions
-  Cultivate a network with like-minded STEM professionals
-  Grow through mentoring and mentorship opportunities
-  Add to the collective face and voice advocating for military spouses in STEM professions
-  Increase your visibility to potential employers
-  Gain access to scholarship, profile features, and professional development opportunities

"This group is great to meet other military spouses going through the **same unique challenges of keeping a STEM career alive** amidst moves associated with the military. I've met amazing and talented people that are great to talk to about career questions. lots of potential and opportunity with this group!"
